Giving Tree

Purchase an engraved leaf to support the Seneca Falls Library

The Seneca Falls Library is pleased to offer an opportunity to show your support of the library and to honor your loved ones through the purchase of engraved leaves to be displayed on the library's "Giving Tree".

Each leaf will feature either the donor (i.e. Donated by Jane and John Doe) or someone to be honored (i.e. In Memory of James Jones) in up to 30 letters and spaces. Leaves are 1 ½" x 4" and come in gold, silver, and bronze. Leaves will be displayed on a cast trunk in the entry hall of the Seneca Falls Library for perpetuity.

If you would like to honor a loved one or show your support of the library then please contact Meghan Molloy, Director of the Seneca Falls Library, today!
