We finished with a discussion of how the Friends group can honor the memory of Ann Cramer.

As most of you know, Ann was the founder of Friends, and did much to support the

Library over the years. We discussed a variety of ideas- a plaque, books in her memory, Etc. After much discussion, we decided to honor her at the book sale with a display featuring her and recounting her interest in and support of the library. There might also be a place to accept donations for the library in her name.

As part of this discussion, we decided to form a committee to come up with a written account of what the group will and will not finance from the money we raise for the library. There seems to be nothing in writing, and the committee will meet before the February meeting to come up with a brief written description that can be discussed and voted on then.

NEXT MEETING: TUESDAY, FEBRUARY 19, 7PM
