Roof Soon To Rise

Representatives from Chrisanntha Construction Company and its subcontractors are working hard to complete the new building. The side walls are at 12 feet and will soon ascend to the next level of 18 feet after the steel framing is in place. Flooring for the first level is complete as well as staging for the children's area. Steel framing for the roof will begin to rise soon.

Southwest corner of building.

Front of building facing Cayuga St.

Children's staging area.

Town Continues Generous Support of Mynderse Library

The Town of Seneca Falls continues to demonstrate its support for Mynderse Library, *The Next Edition* campaign with a recent donation of \$300,000. This brings the Town's total contribution to \$636,000 including \$86,000 it granted the library to purchase the property for the new building.

"Mynderse Library is a very worthwhile cause and one that benefits everyone. The Town of Seneca Falls receives revenues annually from Seneca Meadows and it is our agreement to put these revenues to good use. It is our hope that community members will join us in support of this very important historic endeavor," said Peter Same, Town of Seneca Falls Town Supervisor.

To date, the library has raised a little more than \$2.7 million towards its campaign goal of \$3 million.

"The new building will cost us close to \$2.8 million by the time it is complete and we need to raise more than this to establish an endowment to cover our operating costs in the new building. With generous contributions, such as the Town gave, I have no doubt we will reach our goal," said Sam Dickieson, president Mynderse Library Board of Trustees.

Inching Towards the Top

The mercury continues to rise towards our optimal goal of \$3 million. Won't you help us reach the top? Beyond a beautiful asset to Seneca Falls, the new library will serve as an educational mainstay for you and your family. We need your help to make this the best library possible. Your contribution will assist with building completion and offset our increased operating costs (which will more than double in the new facility).

See Your Name in Brass

If you donate \$1,000 or more your name will be emblazoned on a brass plaque and placed on one of the interior walls in the new library. Your name will join fellow community members who also generously gave to this cause. If you have any questions about making a contribution, please contact Jennifer Sawyer at 568-9095.

Coming Together to Make A Difference!
