### **Construction Update**

Chrisanntha Construction Company continues to make progress on the new Mynderse Library building. Since the company bulldozed the property in late May, many tasks have been accomplished including the placement of concrete footings and the foundation wall. Currently, crews are raising the subwall.

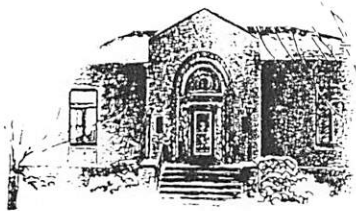

### **Two New Board Members Appointed**

At the June 25 Annual Meeting two new board members were appointed to the library Board of Trustees. Gretchen Kotch and Diana Becker commenced their terms on June 25 and will be instrumental in assisting with the progression of the "Next Edition" campaign and the library's construction project.

## An Explosion of Names

Your July issue of *The Next Edition* newsletter has experienced a growth spurt with the contribution list emerging from three to six pages. Did Mynderse experience a huge windfall of donors recently? Unfortunately, not.

The recent explosion of names was caused by adding people who donated to the "Vision Fund" campaign. This preliminary crusade was initiated by Sam Dickieson, President of the Board of Trustees, in 1997 to test the "fund raising waters". He wrote letters to his former Mynderse Academy students requesting a donation to provide seed money for a new library building. Sam repeated his letter writing campaign in 1998 and 2000. Community members aware

of Sam's efforts also came forward with donations during this period. His efforts were met with great success and were the impetus for the Board of Trustees launching its September 2001 community-wide campaign.

The Vision Fund procured a strong foundation of \$142,000 from which we are building towards our goal of \$3 million. So far our campaign has procured more than \$2.4 million and we thank the community and former graduates of Mynderse Academy for their support of our initiative.

## From the Board

Do you have a bookcase full of the latest novels for leisure reading? Do you have a shelf filled with talking books to take with you when you commute or on a trip? Do your children have their bedrooms crowded with favorite bedtime stories? If you do, there are countless families who do not, and that is why we have adequately stocked libraries - to offer **free access** for such offerings. Such libraries must now have the space for collections, and provide the same **free access** for computer use and Internet search. We also want a building that is fully handicapped accessible. We no longer want to watch a person struggling with six steps, sometimes covered with ice and snow, in order to reach our library door, and there are many such patrons!

The community will now have such a library! In 1995, at the urging of the Finger Lakes Library System, our Board prepared a long-range planning document which led us to prepare for a new library building of significant size and structure to meet these needs. We are the fourth largest library for population served after Ithaca, Cortland, and Auburn in our 31 library system and it was determined that a building of nearly 10,000 square feet would support our mission.

To make our mission possible, our Board now needs your continued financial help to fulfill our plans and have a library which we can be proud of and will be a most valuable asset to our community. This new library is for everyone in the community, and we invite everyone to join us in the success of our labor.

— Sam Dickieson, President Board of Trustees
