Ying Quartet will be here 10/8/21 at 5:30pm. All are encouraged to come, it promises to be the most exciting performance ever!

New Business: Book Sale - need to distribute fliers around town, using an updated list of businesses. Sorting is under control thanks to Jenny. Thanks for keeping up! Plans need to be finalized for moving books downstairs. We are looking for assistance as the jail inmates probably won't be able to come. We will look for a coach and team with kids needing community service hours to help. Linda will check with Coach Miller. Need to set up with a plan where to place each category of books, volunteers from the Friends will be needed on 9/12/21, Sunday at 2pm, (may change depending on team's needs) Sign up sheets will be available at the front desk. REMINDER Book Sale is 9/15-18/21 and clean up packing on 9/19. Pricing was simplified due to coin shortage. Hardcover \$2 and \$1 paperbacks, children's books 50 cents. We will have enough change for the kids books and prices will be constant throughout the sale. This is in keeping with what other Seneca County libraries are doing. We will end the sale with the last books available for donations decided by the purchaser. Several people offered to bring bags. Some leftover books will be donated to the county jail, 80 boxes are available to send to Books for the World (?). Some may go to the local new bookstore downtown.

Next meeting: 9/21 7pm
