## Annual Membership Drive to Launch in February

Here's something you may not know about the Seneca Falls Library: we're NOT a public library! We may look, act, and lend like one, but we're not funded like one. We receive about 60% of our budget from public sources (taxpayers living in the Seneca Falls School District, the Town of Seneca Falls and Seneca County), and that percentage has been steadily declining in recent years. The rest must be raised every year by the library. The most crucial avenue of support we have is our membership, the dedicated people who donate funds to the library. Being a cardholder doesn't make you a member, but donating to the library's Love the Library Membership Drive does!

Money donated to the library through the membership drive goes directly to our operating costs; it's used to buy books and other materials for the collection, to provide WiFi and dedicated Internet access and to help pay for programs for all ages.

Thank you so much for your membership support this year - we literally couldn't function without you! In this mailing you are receiving a membership form, and we hope you'll choose to renew your membership; you can use the enclosed form to send in your donation or you can give online at the library's website. You can also email [michellerobbins@rochester.rr.com](mailto:michellerobbins@rochester.rr.com) if you have questions!

***Thank you!***
