Memorialize or Honor Someone

There are many donation options to Mynderse Library, but two you may not have considered include making a donation in memory or honor of a loved one. If you have a family member or friend who enjoyed books or coming to the library, why not make a donation in their name? For people who memorialize someone with a gift of \$1,000 or more, the donor's name along with the memorial name will be put on a plaque and placed on a special recognition wall in the new library. Additionally, if you would like to honor a special family or friend's birthday or anniversary, you may also make donation in their name. Again, if the donation is \$1,000 or more the name of the person being honored and the donor's name will be placed on the recognition wall. For donations less than \$1,000, both donors, memorials, and honorariums will be listed in a special book in the library. If you have any questions about how to make a donation in memory or honor of someone, please call Jennifer Sawyer at 568-9095.

From the Board - A Personal Reflection

I was just shy of my 12th birthday when I first entered Mynderse Library. I was new to town and knew no one and liked books. Walking up the steps, I paused a moment, and with the depth of thought possessed by boys of age eleven, sized up the place simply. It was warm and friendly looking and I went in.

Behind the desk stood the librarian, Mrs. Bishop. She was looking at me, and viewed from my frame, which was even shorter than hers, she looked imposing and stern. This, I intuitively knew, was her turf and I would do well to follow her rules.

From that date until I left for college, I frequented the library with some regularity. During that time, Mrs. Bishop helped me with research needs, and found work for me for a community service project. She accepted my story when I expressed my certainty that I indeed returned a missing book, and she didn't give me a hard time when I later returned it after finding it at the bottom of my school locker. Mrs. Bishop, I learned was a kindly and good woman who loved books, our library, and children. Oh, and about my first impression - her rules were to be followed. One night (but only one), she kicked myself and some other boys out for making too much noise.

Mrs. Bishop - part of the memories!
