Library has an iPad and an iPad Mini!

**These will be available
to borrow after the
New Year!**

The Seneca Falls Library just recently purchased an iPad and an iPad Mini for patrons of the library to borrow. These were purchased with NYS Bullet Aid money that Senator Michael Nozzolio was able to secure for our library. The iPad and the iPad mini are preloaded with games, books and other apps that borrowers can use. They can be borrowed for 3 days and are available at the Circulation Desk. There is additional paperwork and criteria that patrons will need to fill out. No one is allowed to add additional apps to the library owned iPad or iPad Mini. Suggestions for new apps can be made at the Circulation desk and will be reviewed. We are excited to be able to bring this technology into the hands of our patrons. Feel free to contact Michelle Robbins at michellerobbins@rochester.rr.com or 315-568-8265 Ext 4 for questions or additional information!
