### **Mynderse Library Receives \$25,000 Grant**

Mynderse Library recently received a \$25,000 grant from the J.M. McDonald Foundation, Inc. These funds will offset monthly construction costs for the new building. Located in Englewood, CO, the J.M. McDonald Foundation focuses a portion of its benevolence on non-profit capital projects in upstate New York.

### **Mynderse Library Benefits from Frank's Pizzeria Fund Drive**

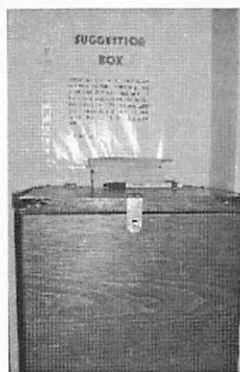

In August, Frank Dippolito, owner of New York Pizzeria, initiated a fund drive to benefit local organizations. For every large pizza sold, Dippolito donated a dollar. On Tuesday, October 29, Dippolito emptied the pot which totaled a little more than \$800. Mynderse Library received \$200 along with three other organizations: DARE, Seneca Falls Little League, and the Seneca Falls Booster Club.

#### **Suggestions Wanted**

What types of programs do you want to see in the new library? There is a suggestion box located inside the library by the front door. Just write your ideas on a note card and place it in the box. The library staff and Board of Trustees will review all of the submissions.

**Remittance Reminders For December**

Donors scheduled to receive remittance reminders next month will receive them the first week of December rather than near the 15th. This will enable those eligible for EDZ tax credits to complete and return their form to the library before the end of the month.

**EDZ Reminder**

If you have not turned in your EDZ form yet, please complete the form and return it to us as soon as you can to ensure you receive your EDZ credits in time to send with your state tax information

**From The Board**

As the new building takes shape, and dreams become reality, I can't help but feel excitement at all the possibilities of what this building will mean to all of us.

My own commitment to the future and the vision for a new library actually stems from the past.

It was my weekly routine: rushing to finish my Saturday chores so that I could wander the aisles of Mynderse Library, searching for the next "great escape" from our sleepy little town in the pages of *Treasure Island*, *War of the Worlds*, *Little Women*, or *Grimm's Fairy Tales*.

As I grew and changed, the library came to mean more than a place of adventure. It was the after school gathering place where friends seasoned dull assignments, challenging research projects and dreaded term papers with camaraderie, empathy and encouragement.

As I moved on through the various stages of my life and into new communities, the Milne Library at SUNY Geneseo, Tompkins County Library, and Geneva Free Library were familiar faces to a "stranger in a strange land".

During my parenting years (though they are still not over!) libraries became sanctuaries - places where I could slow down, focus and actually hear myself think (Oh blessed quietude!). If I had a nickel for each time my children asked me a question I could not answer, and I responded, "Check the library!"...I could make a hefty donation to the Next Edition Campaign!

I suppose my sentiments on the value of libraries can best be related by recalling a time when my daughters were still quiet young, playing together without requiring constant supervision. As I walked by the playroom, laundry basket on one hip, thoughts of what to cook for dinner swirling while wondering what the girls were up to, I discovered them deeply engrossed in playing "library"...an elfin librarian neatly arranging books from tallest to shortest on shelves, toy spectacles strategically placed at the end of a tiny, turned-up nose, index cards and rubber stamp at the ready, and a wee, well-behaved patron carefully selecting "The Three Billy Goats Gruff." To my complete surprise, a wave of longing rose up to meet a silent voice inside sighing "Can I play, too?"

Marie Leo  
Secretary, Mynderse Library Board of Trustees
