"Match That 2"

Elizabeth Davis Howland is celebrating the 80th anniversary of her high school graduation with a donation to the library on behalf of her class, the Class of 1926. Mrs. Howland, who lives in Florida, was the salutatorian and secretary for the Mynderse Academy Class of 1926.

Last year, the Class of '57 donated over \$5,000 and suggested the rest of the classes could not reach that amount. Well, the Class of '66, celebrating 40 years this year, came up with over \$6,000 to beat them out.

This year the Class of '57 again throws down the challenge. Five thousand dollars has been donated this year to the Class of '57 Endowment Fund with the challenge to

"Match That 2".

As your class plans for a reunion, or if your class feels challenged, either by the brazened Class of '57 or by the quiet support of Mrs. Howland on behalf of her Class of '26, decide to establish a Class Endowment Fund at the Library.

Establishing a Class Fund is as easy as making a donation to the Endowment Fund with your graduation year on the check. Classes with established Endowments are: '26, '33, '39, '40, '41, '42, '43, '44, '45, '46, '48, '49, '51, '53, '54, '55, '56, '57, '58, '59, '60, '61, '64, '65, '66, '69, '70, '71, '72, '73, '74, '75, '76, '77, '79, '80, '83. Some of these are well-endowed with larger sums exceeding \$5,000 and some are small with one or

two donations. For more information on what's in your Class Fund call 315/568.8265x4.

Can your class "Match That 2"?

Yearbooks

The Library now has a set of Mynderse Academy yearbooks, thanks to the efforts of Village Historian Roberta Hal-

den. We are missing several years and would gratefully accept a donation of yearbooks

for: 1981, 1982, 1983, 1985, 1987, 1989, 1991, 1994, 1995, 1996, 1997, 1998, 2002, 2003, 2004, and 2005.

The yearbooks are on the second level right next to the compilation of newspaper clippings and historical books

and information on Seneca Falls at the north end.

Summer Reading, Music & Theater Fun!

You can borrow a fishing pole at the library!

Reading & Theater Camp
With Karen Lucas
And Pat Collins, Theater Director
and the Nancy Curvin Players

Summer Reading Fun Monday-Thursday, July 10-13,
 9 am-11 am

A Reading Festival Monday, July 17 9 am-12 noon
 picnic lunch included

Theater Fun – July 17, 18 & 19, 9 -11 am

Theater production – July 21 at 7 pm

For students entering grades 2-6

 July 19, July 26 & August 2 at 9 am

Family Concert & Sing-a-long

Seabury Gould, Troubadour & Storyteller

Member of the Children's Music Network

Date TBA at 7:00 pm

Seneca Meadows Supports the Library

How much trash do you produce?
 How much do you recycle?

In keeping with the commitment that Seneca Meadows Landfill made to the Seneca Falls Library, Carl J. Casaccia, Community Relations Director, delivered a check for \$5,000 to the library in March.

The donation represents a continuing dedication for the development of the book collection and also for

the investment in the community by Seneca Meadows.

While Mr. Casaccia was here, he read a book to the preschool children. Notably, the book was called *TRASH!* and told the story of where our trash goes. After the story the children made a collage out of recycled materials.

The library recently sent requests to other area businesses who are successful in our community asking them to show a similar community commitment by investing in the future stability of the library.

Get Healthy at the Library by Michael Caraher

Thanks to the Get Real, Get Fit! Grant and memorial donations, the Seneca Falls Library is now a healthy place to visit. These funds allowed us to purchase the Mayo Clinic Health Information series, Obesity: Modern Day Epidemic series, and The Science of Health: Youth and Well-Being series.

The Mayo Clinic Health Information series was written for adults and has books on adult health concerns. There are books on arthritis, chronic pain, high blood pressure, osteoporosis, and prostate health, to name a few.

Obesity: Modern-Day Epidemic and The Science of Health: Youth and Well-Being will appeal to juveniles. In these series you will find such titles as The Truth About Diets, Fats, Sugar and Empty Calories, America's Unhealthy Lifestyle, Dying for Acceptance, The Best You can Be, and Taking Responsibility.

If your goal for 2006 is to lead a healthier, happier life, the Seneca Falls Library may be able to help. Visit the library, check out these series, and see if they don't make a difference in your life.
