## Summer Reading Program

The Seneca Falls Library is where your child will want to be this summer! We have lots of special, fun programs planned to mesmerize and entertain your child. They'll love it so much that they won't even realize they're learning something!

This year's theme is "All Together Now" where kids will discover the importance of kindness, cooperation and working together towards common goals. The programs will have a 1960s vibe.

We are dedicated to advancing literacy and maintaining reading skill levels by engaging children and teens in reading and enrichment activities during the summer months through the Summer Reading Program.

# Around the Library

## Anniversary Year

The Seneca Falls Library is celebrating its 125th year! We are proud of our history of service to the community. Thank you for YOUR support and contributions to our success!

## Behind the Scenes

After 20 years of accumulation in the attic space, staff has slowly been organizing, clearing out and building shelving units to optimize storage.

The attic serves an important role for the staff as most program materials and all used book donations for the bi-annual sales are stored in that space. The cleanup gives more room to move. One particular advantage which resulted from the project is that long-forgotten documents were rediscovered, scanned and made available for public viewing on [NYHeritage.org](http://NYHeritage.org). We have plans for even more historic materials to be made available online in the future.
