

I attended the We-Be fund raiser for the Waterloo Library. It was a lovely event with around 20 vendors that included new and used book stores, crafts, jewelry, honey and baked goods. Beer and chicken barbecue were available to purchase. It is something to think about for the future.

Round Up For Readers is taking place in August. Jenny will update the board on its progress.

The next book sale will be held from 9\16 to 9/20.

The perpetual cart continues to raise funds.

Respectfully submitted,
Deborah Jones
