THANK YOU!

What sells well at the Seneca Falls Library Kids Holiday Market

Seneca Falls Library

- Our “sweet zone” is smaller items which we can sell at $2.00 - $5.00.
- All items, regardless of value, will be sold for $10.00 or less.
- Please only donate new, unopened items.
- Please no clothing (kids aren't familiar with sizing), but hats, gloves, and socks are warmly accepted!
- Due to limited storage space, please donate smaller, compact items only.
- Items received the day before or the day of the event may be saved for the following year's sale.
- The Seneca Falls Library reserves the right to reallocate or re-donate any items that are unsuitable for this event (e.g., using them for other library programs or sharing with local charities).

Cozy slipper socks (Note: Knee-highs and men's socks do not sell well.)

Jigsaw Puzzles - NEVER OPENED ONLY, PLEASE.

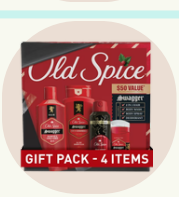

Gag gifts / Potty humor. These sell out every. single. time.

Gloves / Mittens - Homemade sell well too!

Grooming items, especially for women. Individual nail polish does not sell well though.

What does NOT sell well:
Baby items, books, small appliances, dolls, purses, photo frames, outdated technology (i.e. cameras), paint sets, anything not readily identifiable.

THINK LIKE A KID! *Adults might appreciate a sleek new appliance, but kids? Total snooze fest. To a kid, a "World's Greatest Mom" mug stuffed with candy—or a funny "Fart Zone" sign to share a laugh with dad—will beat a practical gift any day of the week!*
